

Erasmus+ Programme

Bilateral Intra-Institutional Agreement

Key Action 1 Learning Mobility for Higher Education Students and Staff

between Programme Countries ¹

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the [Erasmus Charter for Higher Education](#) in all aspects related to the organisation and management of the mobility, including [automatic recognition](#) of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the [European Credit Transfer and Accumulation System](#). The institutions agree on exchanging their mobility related data in line with the technical standards of the [European Student Card Initiative](#).

Grading systems of the institutions

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through [EGRACONS](#) according to the descriptions in the [ECTS users' guide](#). The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

¹ Clauses may be added to this template agreement to better reflect the nature of the institutional partnership.

Validity period of the agreement

Timeframe	Academic Year
Start of validity	2022 / 2023

(*) EMADRID05:

Students with disabilities can be accepted after the consultation with the Faculty Coordinator and International Office (educational matters). The ETS de Ingeniería Aeronáutica y del Espacio is fully accessible to persons with physical disabilities. Students have access to resources facilitating their integration in the school. There are adapted elevators and bathrooms, and ramps and that make the teaching facilities easy to access for students using wheelchairs. There are classrooms adapted to the necessities of students with disabilities. The Vice-Rectorate for Student Affairs has a Dis-abled Care Unit to assist disabled students with everything they need, providing as much help as possible so they are able to study.
