

Invitation to CECE 2023 in Brno

Dear Colleague,

We invite you to the 18th International Interdisciplinary Conference on Bioanalysis CECE 2023. The conference, focusing on modern bioanalytical techniques, will be held on October 23 - 25, 2023, in the congress premises of the Hotel Continental in Brno, Czech Republic. As always, the CECE includes:

1. World-class speakers
2. The CECE Junior - lectures by young scientists (students, postdocs)
3. Poster session
4. An informal atmosphere, quality refreshments, a gala dinner, and the Conference Proceedings indexed in WOS.

For more information, visit: <http://www.ce-ce.org>

We look forward to welcoming you to Brno.

Sincerely,

Frantisek Foret  
(on behalf of the CECE)
