

# 27<sup>th</sup> International Symposium on Separation Sciences

September 24–27, 2023 – Univers T Hotel – Cluj-Napoca, Romania

## INVITATION

The Separation Sciences Section of the Romanian Chemical Society cordially invites you to participate in the 27<sup>th</sup> ISSS 2023 Symposium that will take place in Cluj-Napoca, Romania, September 24–27, 2023.

27-ISSS 2023 is organised under the auspices of the

Romanian  
Chemical Society

Babeş-Bolyai University  
Cluj-Napoca

Central European Group  
for Separation Sciences

European Society for  
Separation Science

**SYMPOSIUM VENUE** is UNIVERS T HOTEL, located right on the shore of Lake Gheorgheni, about 4 km from the historical city centre and close to the airport. Tourist attractions are accessible on foot.

**AIM.** ISSS 2023 is focused on fundamental and practical aspects of separation and detection methods as well as hyphenated, multidimensional and miniaturised separation techniques applied for analytical, preparative and industrial purposes, including new horizons and challenges in separation sciences.

**TOPICS.** • Gas chromatography • Liquid Chromatography • Thin-layer chromatography • Ion chromatography • Supercritical fluid chromatography • Capillary electrophoresis • Electromigration techniques • Hyphenated techniques • Multidimensional separations • Miniaturised separation techniques • Sample preparation techniques • Environmental analysis • Food analysis • Pharmaceutical analysis • Clinical analysis • Forensic analysis • Natural product analysis • Industrial analysis • Chemometrics • Others

**SCIENTIFIC PROGRAMME:** Plenary & Keynote lectures; Oral, Flash & Poster presentations. Symposium language is English.

PhD Student*	250	300	350
Retired Researcher	250	300	350
Accompanying person	200	250	300

\*Requirements: SChR identity card for 2023 / PhD Student certificate.

### Symposium fee includes for:

**Full participant:** ● Access to the entire scientific programme and exhibition hall  
● Symposium materials (badge, bag, programme & book of abstracts with ISBN, memory stick; other printed materials) ● Certificate of attendance ● Daily coffee breaks, lunches and access to social events ● VAT ● One/two presentation(s); oral-poster or two posters.

**One day participant:** ● Access to the scientific programme and exhibition hall on the selected day ● Symposium materials (badge, bag, programme and book of abstracts with ISBN, memory stick; other printed materials) ● Certificate of attendance for the selected day ● Coffee breaks, lunch and access to social event ● VAT ● One presentation.

**Accompanying person:** ● Symposium badge, bag and programme ● Daily coffee breaks, lunches and access to social events ● VAT.

## DEADLINES

Abstract submission ORAL / POSTER	June 1 / 15 2023
Abstract acceptance	June 15, 2023
Early bird registration END	June 15, 2023
Regular registration END	June 30, 2023
Preliminary Programme	September 1, 2023
Symposium OPENING	September 24, 2023

The abstracts will be submitted by e-mail to the ISSS secretariat starting from March 10, 2023. The manuscripts will be published after a peer-review process in an issue, dedicated to the symposium, of some ISI journals that will be specified on the website (Studia UBB Chemia 2024, etc.).

We are looking forward to welcoming you and your colleagues with papers to ISSS 2023 with the hope of finding the scientific programme interesting as well as the social events attractive.
