

# PRAGUE GEOTECHNICAL DAYS 2019

## 27<sup>th</sup> PRAGUE GEOTECHNICAL LECTURE

### Organisers:

SG Geotechnika a.s.

Charles University  
Faculty of Science

Czech and Slovak Society  
for Soil Mechanics and  
Geotechnical Engineering

## 13 and 14 May 2019

Czech Academy of Sciences  
Národní třída 3  
Prague 1

Charles University, Faculty of Science  
Albertov 6  
Prague 2

### Theme of Conference:

## Geotechnical Design for Potentially Unstable Ground

### 27<sup>th</sup> Prague Geotechnical Lecture:

Dr.-Ing. Rolf Katzenbach, Germany

**Geotechnics as Solid Basis of Civil and Environmental Engineering  
- Examples from the Highest High-Rise Buildings of Europe and the World**
