Assuming that bilateral agreements will remain the organisational framework ruling the student/teacher mobility flows between partners under the 'Erasmus for all' programme: both parties agree to abide by

- the principles and conditions set out in the Erasmus Guidelines and the Erasmus University Charter ;
- the terms of this cooperation agreement.

If the 'Erasmus for all' programme sets extra criteria this agreement will be reviewed.

Cancellation of this agreement or changes in the data set above can be made annually, if communicated before January 1 preceding the next academic year.
