The numbers mentioned in this contract are not a commitment; reciprocity and/or prolongation may be discussed. For each academic year both parties will have the opportunity to review the exchange agreed upon in this initial paper. Upon mutual agreement, amendments of the mobility figures can be made before the deadline of the Institutional Contract. The Bilateral Agreement will be valid from 2007 unless either side terminates the present agreement in writing by 30 July of each year at the latest.

Both parties will endeavour to carry out the agreement as best as possible.
