The above parties agree to cooperate in the activities stated below within the LLP/ERASMUS programme. Both parties agree to abide by the principles and conditions set out in the Erasmus University Charter (2007-2013) and will exchange all relevant information on any issue that can facilitate the mobility of students and teaching staff.

**SM: Student mobility**

The signatories will seek to exchange students as follows:

| Subject Area |  | Country |    | Total number (per academic year) |                |
|--------------|--|---------|----|----------------------------------|----------------|
| Code         | Name                                       | From    | To | Students                         | Student months |
| 581          | Geodesy,<br>Cartography,<br>Remote sensing | CZ      | DK | 4                                | 24             |
| 443          | Geography                                  |         |    |                                  |                |
| 581          | Geodesy,<br>Cartography,<br>Remote sensing | DK      | CZ | 4                                | 24             |
| 443          | Geography                                  |         |    |                                  |                |

**Signatures of the legal representatives of both institutions:**
