full legal name of the institutions in their national languages

The above parties confirm that structure and content of study programmes (curricula) have been checked against feasibility to give the student full academic recognition. Both parties agree to co-operate in the Erasmus activities shown below. Both parties agree to abide by the principles and conditions set out in the Decision establishing Programma, Guidelines for Applicants, the ERASMUS application forms and other relevant documents valid for the period 2007-2013. Both parties agree to re-sign this bilateral agreement in another form, if necessary taking into account conditions imposed by the above mentioned documents.

Student mobility
