

INTERNATIONALISATION OF STUDY PROGRAMMES AT CULS PRAGUE

Pavel Kovar

IAHS Conference **HydroPredict**

20 to 23 September 2010, Prague, Czech Republic

Czech University of Life Sciences Prague

five Faculties, two Institutes, 52 Departments, more than 20,000 students

**AGROBIOLOGY, FOOD
& NATURAL
RESOURCES
(FAFNR)**

17 Departments

**FORESTRY &
WOOD SCIENCES
(FFWS)**

6 Departments

**ECONOMICS
& MANAGEMENT
(FEM)**

11 Departments

**AGRI ENGINEERING
(FT)**

10 Departments

ENVIRONMENTAL SCIENCES

5 Departments

**Institute of Tropics
and Subtropics**

**Institute of Education
and Communication**

Faculty of Environmental Sciences

6 Departments, 2 500 students (90 PhD)

Tradition: Sharing experience in international water focused programmes

CULS/FES STRATEGY IN WATER SCIENCES

- **POSTGRADUATE HYDROLOGY COURSES**
(since 1960's, UNESCO–sponsored, last course in 2004)
- **WORKSHOPS**
on Water Disaster Prevention and on Hydrologic Modelling (since 2005)
- **PhD PROGRAMMES** in:
 - ENVIRONMENTAL MODELLING
 - WATER REGIME IMPROVEMENTS IN LANDSCAPE
- **INTERNATIONAL CONFERENCES** (focused on water sciences)
WATER POLICY 2009 (Prague), **2011** (Vienna)
HYDROPREDICT 2010 (Prague)

INTERNATIONAL COOPERATION

- CULS PRAGUE:** Member of ICA and ELLS (Association of European Life Sciences Universities)
- ELLS:** Uppsala (S), Copenhagen (DK), **Wageningen (NL)**, Stuttgart-Hohenheim (D), **Vienna (A)**, **Prague (CZ)**, Warsaw (PL)
- MOBILITY:** Exchange of PhD students, exchange of professors (Wageningen-Vienna-Prague in particular)
- VISITS:** Students and teachers not only for PhD students:
- WORKSHOP 1:** Water Disaster Prevention (Prague)
- WORKSHOP 2:** Environmental Modelling (Šumava / Böhmerwald)
- CONFERENCES:** Water Policy 2009, (2011)

Summer School on Water Disaster Prevention

CULS Prague
June 20 to 26
2010
