

**Jason Hwang, MAEd** is originally from California and has been teaching since 2005. He focuses mainly on academic and scientific English for higher education, especially science communication and writing for PhD students and researchers. He has taught scientific English at Charles University, IKEM, MUNI, the Technical University of Liberec, and at several UK universities. Before getting involved in English teaching, he was working for one of the world's largest pharmaceutical companies as a researcher, as well as acting with some of San Diego's many theatre companies. Jason obtained degrees in Biochemistry/Cell Biology and Theatre from the University of California, San Diego. He also holds an MA in Education (Applied Linguists), the Cambridge Delta, and is a certified soft skills trainer with the British Council.
