(ICEHO Directory as of 03/2010)

V Klaudyánovi č. 1–2/2009, s. 28–32, jsme v článku o 1. mezinárodním kongresu environmentálních dějin, který se konal v Kodani v srpnu 2009, informovali i o založení International Consortium of Environmental History Organizations. Soudíme, že tak byly položeny základy k možnému vzniku řádné světové vědecké organizace jakou je např. Mezinárodní geografická unie. Na jiném místě chystaného sešitu č. 1–2/2011 přineseme více informací o progresu v konstituování Konsorcia. Mezi jeho zakládající členy náleží i naše Komise pro historickou geografii a environmentální dějiny České geografické společnosti.

Přehled všech členských organizací ICEHO k březnu 2010 s jejich adresami snad bude k užítku čtenářům Klaudyána.
